Fall Shoe Styling Guide

The hottest shoe trends for fall and the 101 on how to wear them.

Hi-Heeled Oxfords:

Tailored pieces like pencil skirts and wide-legged trousers live up to the expectations of the high-heeled oxford.

Booties:

Goes best with a charming shift or a cinched-waist coat or dress with swing to its shape.

Daytime Satin:

Satin joins patents and metallics on the shine space. A sweater coat or tweed pants takes shoes that gleam from evening appropriate to afternoon delight.

Flat Boots:

Looking for high-impact style? Kick up your heels in flat boots worn with a sweater dress and textured tights.
